Dear Jayne and all at Northampton Musical Theatre Company,

Thank you very much for your kind donation of £536.60 to the Northampton Hope Centre, your support and generosity for our work is very much appreciated.

We have provided support for disadvantaged and homeless people in Northampton for more than 40 years and we could not continue this work without the generosity of our supporters and donations like yours.

Thanks to your donation, we are able to provide hot food, drinks, showers, clothing and workshops and training to local people who are most in need.

The trustees, staff and clients at the Hope Centre are extremely grateful for your support and generosity.

Yours faithfully
